

## “ ARE YOU INSURED ?”

Insurance is a word familiar to most people. We insure life, goods and vehicles. The Postal Insurance, the Marine Insurance and the Health Insurance are some other examples. Is it possible to insure our life beyond? You may say, “No / I am not sure”. However, the Bible says that it is possible. It is simple. There are no Governmental controls over this insurance.

Are you interested in looking in to this insurance little closer? See the terms and conditions. You may like it; the features are attractive. First of all, it is free; there are no payments to make, initial or future. All are eligible to get this insurance. There is no age limit; even a person at his deathbed can apply. There is no discrimination of sex, colour, race or caste. You need to apply for it by yourself; no insurance agent is required. The application process is simple. There is no need for a physical examination or doctor’s certificate. Further documents as proof of age or proof of identity are not required. There is no waiting period for this insurance; it becomes effective immediately after signing. Best of all, the application will never be rejected and you will be insured forever.

If you are not insured for eternity it is good to do that. God who created the universe controls the Eternal Insurance. That insurance is available through Jesus Christ, the Saviour of the world. You are eligible at this time; if you postpone, it may be too late. We do not know when our life on this world will end and our physical body will return to earth. The spirit in us is imperishable; it will return to the Creator God. If you don’t have the insurance through Jesus Christ, eternal hell will be the destiny; that is the natural course of the uninsured. Once the soul is there, it will remain there forever; cannot escape from that place of torment. If you don’t have Jesus Christ in your life, you are heading straight to the unquenchable lake of fire.

The Bible says, *“Let us hear the conclusion of the whole matter: Fear God and keep His commandments, For this is the whole duty of man. For God will bring every work into judgment, including every secret thing, whether it is good or whether it is evil ”* (Ecclesiastes.12:13,14). Those who believe in Jesus Christ do not go through the judgment and condemnation (John.3:18). Notice this verse, *“There is therefore now no condemnation to those who are in Christ Jesus”* (Romans.8:1).

There are other warnings in the Word of God, *“And anyone not found written in the Book of Life was cast into the lake of fire”* (Revelation.20:15). When a person takes this insurance or accepts

Jesus Christ as his Lord and Saviour, he becomes a child of God. He will never be cast into the lake of fire. This choice can be made only here, in this world. Our good works or church memberships will not help. Conversion to any religion or change of denomination is not required. Our own prayers or prayers of our other well-wisher will not help. God is at hand today; He is waiting for your response.

What is the need for the insurance of Eternal Life? God made man in His own image. The first man Adam rejected God willfully and became a sinner. As Adam is the representative of the whole humanity, we share the reward of sin, death. The death is not physical death; it is separation from God. Away from God is to the lake of fire, or otherwise, hell. The loving God found a way to bring us back. Only a man without sin can pay for our sins. Jesus Christ came to this world to save the sinners. He died on a cross and was buried. God resurrected Him on the third day bringing salvation to the mankind. The Lord Jesus Christ is now living in heaven to save those who believe in Him and accept Him as the Saviour. Anyone who confesses that he is a sinner and accept Lord Jesus Christ as his Saviour will be saved. He will have Eternal Life with the Lord; he will not go to hell.

Friend, do you have insurance for life after death? Heaven is a place of eternal happiness and hell, a place of torment. It is possible to assure your place in heaven with Lord Jesus Christ. Accept Him as your Saviour; invite Him in to your life. In case you made a decision for Jesus Christ, you may pray, *“Lord Jesus, I am a sinner. Forgive my sin. You died on the cross in my place. You were buried. You rose again on the third day to give me eternal salvation. Please come in to my heart. I accept you as my Lord and Saviour. Hereafter my life is yours. Kindly take it and control it.”*

If you prayed the above prayer, you are insured for eternity. Now, you are a child of God. You have escaped from eternal fire. You will share eternity with Jesus who loved us and gave Himself for us. May God bless you.
