

“WHERE IS THE DESTINATION OF YOUR JOURNEY?”

Life is a journey; all of us are travellers, going to different places. Some have clear destinations for their travels, while others do not. The mode of transportation is also different for people. Many believe that death is the end of their journey. But the Bible says differently; death is only the beginning. Life on earth is only the preparation for eternity; death comes in between our life in this world and life in eternity. *“For man goes to his eternal home.... Then the dust will return to the earth as it was, and the spirit will return to God who gave it”* (Ecclesiastes.12:5-7).

Friend, you are a traveller as well. Do you know where you are heading to? Do you have a clear destination? Surely, you are travelling to eternity. There are two different destinations: heaven or hell. The Bible shows that there are two roads leading to these destinations. While one of the roads is wide, the other one is narrow. The wide road leads to eternal destruction, where as the narrow one leads to eternal happiness. No action is needed to pick the wide road. Just flow with the crowd living without God; you will be on the wide road path. However the narrow road requires a conscious decision or choice. Lord Jesus Christ said, *“I am the way, the truth, and the life”*(John.14:6). *“He who believes in Me, though he may die, he shall live”* (John.11:25).

It is important for you to have a clear destination. Choose the narrow way that leads to eternal happiness. The selection has to be done in our lifetime here. You cannot do anything after your death. We are all sinners by birth and we continue to sin in this body. Of course, there is punishment for sin. Do you like to escape from the punishment of sin? Yes, it is possible. Jesus Christ came to this world to save the sinners. Whosoever believes in Him will have remission of sins. Whosoever does not believe in Him will face punishment for their sins. At the end of your life in this world, you will be brought to the door of eternity. There you have to answer a question! God will not ask you whether you have done any good thing or bad thing in this

world! But you have to answer the following question. “ Did you accept the salvation prepared for you through the sacrificial death of Jesus Christ?” What is your answer? Bible says — *“How shall we escape if we neglect so great a salvation?”* (Hebrew.2:3).

We are all born in sin; *“For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord”* (Romans.6:23). Lord Jesus Christ said, *“I am the door. If anyone enters by Me, he will be saved”* (John.10:9). None of our good deeds will help us to enter through this door. Any of our qualities as religion, caste, nobility, wealth, education, health or beauty will not help us to enter this door. It is our choice to enter or not to enter; the door is open now. But it will not be open forever; one day it will be closed. That moment will be at your death or at the Lord’s return to gather His children. This may be your last chance to enter through the door and walk the narrow way of eternal happiness.

If you have made a decision, you may pray as follows, *“Lord Jesus Christ, I have been travelling through the ways of sin without knowing where I am going. I believe that you came to this world to save me. I believe that you died on the cross for my sins and was buried and resurrected on the third day. Forgive my sins. I accept you as my Lord and Saviour. I decide to enter the narrow gate and walk the narrow way to life eternal.”*

If you prayed the above prayer you have become a traveller to the heaven. It is possible you may experience hardships and problems in this world just as others in this world. However, Lord Jesus Christ will be with you all the way through. He will never leave you or forsake you. You will enjoy the warmth and comfort of His presence all the way through. May God bless you.
